Lovely Things

Lovely Things sells beautiful pre-loved children's and baby clothes, principally online at www.lovelythings.ie, and now at a pop-up store in Dun Laoghaire Shopping Centre from Thursday, January 27 until Sunday, February 8. An extensive collection of high-quality clothing for newborns through to 12-year-olds is stocked, all previously owned, with many exceptional finds from children's ranges by Tommy Hilfger, Diesel, Karl Lagerfeld, Chloé, DKNY and Ralph Lauren.

The business both buys and sells quality pre-loved children's clothing and accepts donated clothes too. Profits from donations go to charity partners such as Our New Ears, The Irish Refugee Council, and various biodiversity partners.

EMINENCE MARINE FLOWER PEPTIDE NIGHT CREAM: RRP €95

This rich, velvety night cream is formulated with two unique plant peptide technologies to specifically improve the appearance of delicate, crepey skin. Like overnight magic, this rejuvenating formula effectively locks in moisture and reduces the look of fine lines and wrinkles to reveal fresh, hydrated, firmer-looking skin. Suitable for normal to dry skin types. See www.eminence.ie for more information.

NOTE COSMETICS MATTEVER LIP INK: RRP €8.95

Dress your lips with kiss proof staying power. NOTE Cosmetics Mattever Lip Ink is described as a new generation of fluid lipstick with matte finish. Give your lips eight-hour long lasting super comfortable full colour. Lips feel moisturised thanks to a special mix of ingredients that creates a barrier on the external layer of the lips and preserves the moisture naturally present in them. Thanks to its thin texture, super matte finish and Murumuru Butter, lips stay soft and beautiful. Perfect for an impactful Valentine's pout. Available from selected pharmacies nationwide.

CITRINE HEALTHCARE AMULINE NOURISH (250ML): RRP €14.95

Irish company Citrine Healthcare has now launched the Amuline range, which includes four topical products to help the skin's moisture levels and improve the skin barrier to alleviate symptoms of a number of skin conditions.

Amuline Nourish is a rich emulsion to moisturise and reduce the appearance of dry skin. Enriched with natural oils and prebiotics, this nourishing and soothing cream moisturises the skin and absorbs quickly.

The use of emollients applied liberally, will moisturise, hydrate and help maintain the skin barrier to maintain healthy skin. Suitable for people with dermatitis, eczema, psoriasis and rosacea. Use on face and body as often as needed. Available in selected pharmacies nationwide.
